MEMORANDUM FOR: FBIII

VIA: COS and COP

SUBJECT: SIS Training [REDACTED]

25X1A9a

1. In view of the fact that Mr. [REDACTED] did not do too well in the IOC course, it is recommended that at least an additional three months of "on-the-job" training be given him prior to his entry into the Strategic Intelligence School. This is no reflection on Mr. [REDACTED] ability as a student. It is true that he did not do too well in intelligence training which evidently was new to him, but on the other hand he did very well in the administrative instruction which he attended.

2. If in the opinion of his Branch Chief, Mr. [REDACTED] serves in an excellent fashion on the job, it is suggested that his case be reconsidered after the first of the year.
